April 25, 2006

Hi Alex,

I wanted to take this opportunity to thank you and your support team for all the hard work and support you have provided us over this past year with our Digital Video Recording system. I appreciate the many hours you have put into our project in order to modify it to our specific needs and provide a system that allows us to work efficiently and effectively. I look forward to our continuing partnership and advances in the digital video technology industry.

Best regards,

A handwritten signature in black ink, appearing to read "Tom McDonald".
